

Leonard Mixing Valve Webinar

WEDNESDAY DECEMBER 2, 2020

12:00 PM – 1:00 PM

Agenda with:

Joe Welsh, Regional Sales Manager & Olfat Omar, P.Eng JSA Sales Inc.

- Why is the industry going digital?
- What can you do to design a plumbing system with legionella eradication in mind?
- How to achieve a whole new level of sustainable plumbing system design?
- How to maximize comfort at every DHW fixture

Join us by registering at events@jsasales.com and a Link and Passcode to the Webinar will be sent.
